**Remarks:** Although Mr. Warner and Mr. Houston have seen this, I thought it desirable to send this to you before it goes to the Director. You will note that General Cabell's letter to Senator Fulbright was signed on 3 October, but was not cleared by the Bureau of the Budget until last week. I think it would be desirable to work out some arrangement whereby these reports might be cleared with the Director or General Cabell in draft before sending them to the BOB. Upon BOB's approval, they could be prepared in final form and then signed and dated.

You may wish to remove my buck slip and add one of your own.
